### St Mary's Junior Church

St. Mary's Junior Church meets at 10 - 11am on the third Sunday of every term-time month. The leaders and children leave the service during the first hymn and walk through the churchyard to the quiet Convent Chapel. There, using crafts, games, DVD, and drama we explore the same passage as the adult congregation. We have the chance to be slightly noisier in our study!

We then walk back to church to join our families for a blessing or communion.

\*\*\*\*\*

**Babies and Toddlers at St Mary's** meet in the church on **Wednesday** mornings at **10.00 - 11.30am**. Mums, dads, grandparents, carers and their pre-schoolers are very welcome.

There are toys, a craft or activity and, of course, snacks and drinks for children and adults. Please bring a 50p donation.

The group runs weekly during term time and on an ad hoc basis in the school holidays. Please contact either Alice on **886833** or David on **881270**; or see our Facebook page to find out more: <https://www.facebook.com/groups/958595840860028/>

## **Letter from our Rector:**

Dear friends,

I wonder what your new year will hold? Fresh start? New friends? New job? New hope? Or perhaps not so much change? Same job, same family, same friends? There are aspects of the new year which I like - but there are aspects of the new year I really don't like. Few of us, when asked 'what have you achieved this last year' are likely to reel off a large list of our successes, we are more likely to get slightly disheartened.

And yet many of us have made significant progress in our lives. We've all weaned - many of us have learnt to write and talk and walk. Many of us can drive and more importantly we have the capacity to love. Many of us have friends and a roof over our heads. We may have had important jobs or done important things for family or friends in our lives.

We have all made huge achievements in our lives and yet when asked to think about what we have done in the last 12 months, our minds are more likely to turn to what we have not achieved, rather than to what we have.

I wonder whether looking forward is better for us than looking back?

St Paul writes 'Forgetting the past and looking forward to what lies ahead ...'. I prefer this perspective. We don't need to be bound by past mistakes, just asking for forgiveness we can look forward to what might be. A good way for all of us to look - looking forward in hope. And as St Paul looks forward he himself ultimately looks to heaven.

So I hope this new year you are not dispirited, but that you have lots to give thanks for. But if you don't have a long list of achievements (like most of us) try accepting God's forgiveness for what has gone wrong and try looking forward to the good things that may lay ahead.

With best wishes,

David

## **FREELAND PARISH COUNCIL - DECEMBER 2019**

### **White line painting**

Some of you may have noticed that the white lines have FINALLY been repainted by the corner of Parklands and Wroslyn Road so that they extend further around the corner. This is something I have been trying to get done for around 9 months, and I am so pleased that they have finally been done. This is to help keep the junction clear of cars, especially at school drop off and pick up times when it can get incredibly busy and chaotic. Please help to keep the school zone safe by not parking on these white lines, they are there for a reason and it's much better and safer for everyone if people park sensibly and walk the extra few steps to the school.

Some access protection markings have also been painted by the driveway of the two houses opposite the school, plus some by the houses near the village hall. Again, please do not park on these lines, they are there to protect the access to these houses who regularly have their driveways blocked by people parking inconsiderately. Thank you - your co-operation is much appreciated.

### **Patchwork resurfacing**

The patchwork resurfacing work has also now been completed (plus the cutting back of the trees and bushes) along Cuckoo Lane, which should help to improve the road surface and stop cars being scratched by the large branches that were sticking out. There is still some road surface that needs doing but we've been informed that sadly this doesn't meet the criteria for fixing as yet.

So, in the meantime if you spot a pothole, the quickest and easiest way to report it directly to OCC Highways via the Fix my Street website at

**<https://www.fixmystreet.com/>** . Just put in the postcode or road name, give details of the problem and it will get sent to OCC Highways to be fixed. Photos are often helpful to include as well to help identify where the problem is or how big a pothole it is. Thanks.

### **Thank you!**

Two thank you's to make this month! A big thank you to the Teddy Girls for a donation of £115 from funds raised at their chocolate tombola at the Christmas Tree lighting event in December. This is always a popular activity and our thanks go to all involved in raising these funds. This donation will be added to their previous donation of £475 for a new picnic table on the field. Plus thank you to Graham Lay for helping to convert the old phone box by the village hall to a new little free library – your assistance is much appreciated. Matthew will be reporting more about this separately

### **Thanks & Merry Christmas!**

I would like to take this opportunity to say another little thank you! Christmas is often the time for reflection and I would like to thank the Parish Councillors for all their support, especially this past year. I am fortunate enough to work with a fantastic group of people, who all voluntarily give up their time and efforts for the good of our wonderful village.

I would also like to offer a word of thanks to you, our residents, for the support you give to our Councillors and parish as a whole. We have wonderful groups who do some amazing fundraising, we have volunteers who clean road signs, check and clean memorial plaques, check and clear footpaths,

## **1st HANBOROUGH FREELAND SCOUT GROUP**

Firstly, a big THANK YOU to everyone that helped deliver the Christmas post in Long Hanborough last month. 50% of the money raised was for Sobell House and 50% for our groups; I'll let you know the

figures next month.

As we start this new year, we are in need of new volunteers to help keep our groups running smoothly. Our current Beaver leader, Keith (also known as Bear) is stepping down, due to a change in circumstances which means he is not always available to run the Beaver sessions on Wednesday evenings, at Freeland Village Hall.

We would like to take this opportunity to thank Keith for the dedication and hard work that he put into being the Beavers leader. All the Beavers children enjoyed their experiences with him, and we wish him well for the future.

This means that we are looking to find somebody to take over Keith's Beaver Leader role as soon as possible, and we also need extra assistant leaders to join and support our Beaver colony.

Children that join Beavers are lucky enough to enjoy a wide range of fun and engaging activities which really benefit them in so many ways. We cannot provide these opportunities without volunteer leaders, so we really do need you!

There is a lot of support available to help for our volunteers, including the leaders from other sections, our Group Scout Leader (Adam), the Executive Committee who work hard behind the scenes, and also the West Oxfordshire Scout District.

To find out more information about how you can support the Beavers group, or to hear more about what is involved in becoming a member of our leadership team, then please contact our Group Scout Leader, Adam by sending him an email to:

**[gsl@hfscouting.org.uk](mailto:gsl@hfscouting.org.uk)**

Alternatively, visit our website **<https://www.hfscouting.org.uk/>** and click the Contact link to send us your details.

## **THE UNACCEPTED FREELAND RAMBLERS 1st December 2019**

A long time ago in a village far, far away, where rivers ebbed and maybe even flowed, flora and fauna were king and the woodland animals were free to meander and ramble (see what I did there) wherever they wanted. Then the roads came and people populated small hamlets which soon became villages.... "Well, what a load of old tosh!" said Mrs Trellis as she looked up from her lardy cake!

Speaking of roads, this months ramble took us along the winding Freeland/Eynsham road (no, not Cuckoo Lane as some might say), we thought we would check on the progress of the pothole plugging gang and nearly got killed in the process as certain people don't know what 'Road Closed' signs mean!

8 people traversed this completely new route and thoroughly enjoyed themselves while learning facts and local stories a-plenty. Was there a tune of the month worthy of this fantastic route I hear you ask....well of course there was and it was 'Fix You' by Coldplay.

Then back through the fields by a route contrived not to get our feet too wet and muddy. In spite of this a splinter group chose to follow a wet, cycle-infested lane while the rest ploughed on across a wet grass-infested field. Harmony was restored when the two groups reunited further along the route and we made it back in time for the Farmers' Market.

The Unaccepted Ramblers wish you a happy and healthy 2020.

Do join the next Unacceptable Ramble at **9.30am** on **Sunday 5th January** from The Oxfordshire Yeoman. Newcomers always welcome.

Distances are normally between 5 and 8 miles, depending on conditions and the whim of the leaders.

Brought to you by Mapper/Shed productions

## **COMBE MILL**

Just a quick thank you to all the Freelanders who either volunteer at, are members of, or have visited the Mill this year to support the fundraising. The weather was particularly kind to us at both the Easter and Christmas Market this year and valuable funds raised will enable us to continue the work carried out over the winter, to restore and enhance the visitor experience.

## **FREELAND VILLAGE HUB**

As we continue to wait for news of the sale of the Methodist Church we start this new decade with renewed hope that 2020 might be the year when our hopes for a Freeland Village Hub may finally begin.

**Do remember that we are still accepting**

**Pledges to buy shares in FCBS Ltd**, so if you did

not send in your pledge letter in 2019 the opportunity to do so is still there. The more investment pledges we receive, the more match funding we will be able to raise and the more likely we are to succeed in opening a shop and café. If you would like a form or have any questions please do not hesitate to contact a member of the committee and we will provide the necessary form and information.

Earlier in December the latest concert to raise funds for the project was held in Church. The theme was Carols from Afar, led by some of the members of the Foxgloves Consort. Seven players led the congregation in both well known and more unusual Christmas music playing recorders varying in size from Soprano to Great Bass. Our thanks to the Reverend David Tyler for allowing us to play and rehearse in St Mary the Virgin, a donation to Church funds was made.

Best wishes for 2020 from the members of the Committee.

## **ALUMINIUM COLLECTION (Part 7)**

On behalf of the Freeland Village Hub I continue to collect aluminium in the form of drinks cans, clean foodtrays and foil. Please, no food cans, these are made from steel.

These items may be left with me at **139 Wroslyn Road** or I can collect from you. Should you have aluminium in a different form, then this can also be left with me. Also welcome are copper, brass and lead in any form - all will be sold to a metal salvage company and the proceeds donated to the "Hub".

The response from villagers and others continues to amaze, with the containers I place on the grass verge and behind the hedge continually being filled up.

The Oxfordshire Yeoman, The Hand and Shears, The Queen's Head (Eynsham) and The Red Lion (Cassington) and two local bowls clubs continue to save all their cans for which I am most grateful.

I have constructed a can crusher so please do not crush the cans yourself, the machine works best with un-dented cans. You are most welcome to fully crush them yourself of course.

Between December 2018 and December 2019 I have crushed more than **45000** cans which together with donations of materials from individuals from Freeland and neighbouring villages has now raised a grand total of **£449**. This sum includes a donation made by the metal salvage company (Smiths of Crawley).

Thank you and please keep donating.

Any questions please contact me - Graham Lay, **139 Wroslyn Road tel: 881464**

## **FREELAND HALL TREE LIGHTING EVENT, December 2019**

This year's Annual Christmas tree-lighting event took place at Freeland Village Hall on Friday 6<sup>th</sup> December 2018.

The children from Freeland Primary School joined us to do the count down and Rev. David Tyler turned on the tree lights to plenty of cheers from all. Thank you, Rev. David.

The children and staff of Freeland Primary School sang a selection of cheerful Christmas songs for us. This is always the highlight of the event. Well done and thank you to all the children.

A big thank you to Tim Webster, of Freeland Nursery for generously donating the beautiful Christmas tree.

Refreshments were served and The Teddy Girls provided a "Chocolate Tombola" stall which raised an amazing **£115** which will be go towards the provision of picnic benches near the play area on the playing field. Many thanks for joining us and for your excellent fund-raising work.

The Church also provided an activity table which the children so obviously enjoyed.

Thank you to everyone who came along to join us and made this such a special occasion. It is a lovely start to the Christmas festivities.

Best wishes for a Happy and Healthy 2020

## **LITTLE FREE LIBRARY NEWS**

Happy New Year!

I am very pleased to say that we are making progress with converting the disused telephone box near the Village Hall into the new Little Free Library. You may have noticed some developments already!

Many thanks to Graham Lay for doing the work to remove the old equipment and for installing the shelves, and thank you again to The Teddy Girls who raised the funds needed to set up a new Little Free Library in the village.

At the time of writing, I am working on deciding how best to decorate the telephone box before we start using it.

When it is up and running, I would like to have a small team of volunteers to help look after it. If you would like to be involved please do get in touch either by phone or email. Thank you.

The current Little Free Library will remain where it is, so please continue to use it as usual, and I will let you know when the new one is ready to use!

## **FREELAND GARDENING CLUB**

A very Happy New Year to all our readers and gardeners. We hope the coming year will be a healthy one and a successful one in our gardens. The Club has an interesting variety of speakers booked for the coming year so have a look at the Grapevine report and notice boards to find out what is on each month.

The meeting on 25th November was a talk by Howard Drury on Male Gardeners who had influenced him. We had been expecting him to talk about Famous Women Gardeners so, much as his talk was interesting about all the people he had met and pictures of him with them, we would have liked to know about women gardeners! Maybe he will tell us their story another time.

There was no meeting in December because of Christmas festivities. The meeting on **Monday 27<sup>th</sup> January 2020 at 7.30pm** in Freeland Hall is a talk by Brian Davies, a new speaker to the Club, entitled 'The Weird and Wonderful of the Plant Kingdom'. Maybe some of us are already growing something which falls into this category or will be encouraged to do so.

Visitors, at **£4** a meeting, are very welcome or it is a good time to join the Club as we have just started a new Club year. We look forward to the lovely display of daffodils around the village planted by Garden Club members as well as the first bulbs showing in our gardens. Spring is not too far away!

There is a bring and buy plant and garden items sale at each Hall meeting.

## Freeland CE Primary School

### FREELAND SCHOOL NEED YOUR HELP!

We are seeking three director-appointed Governors to help run our amazing school. No previous experience is necessary and you do not need to be a parent of a child at the school to take on one of these roles – we are particularly interested in finding governors who do not have a direct connection to the school.

The governing body plays an important part in helping the school to succeed: it is responsible for working strategically in partnership with the head teacher and staff to identify the school's goals, develop the plans to achieve them, and monitor the school's progress towards them. Governors work collectively to ensure the school's success. You do not need to have previous experience and there is plenty of training available for both new and experienced governors.

If you would like to know a little more about becoming a governor, please get in touch with Toby O'Neil ([tobyoneil@freeland.oxon.sch.uk](mailto:tobyoneil@freeland.oxon.sch.uk)) who will be happy to discuss the role with you.

Looking forward to hearing from you.

## **A PROFILE OF PARISH COUNCILLOR BILL PHILLIPS**

We are due to have an election later this year to elect members of Freeland Parish Council. Each month we will profile a different councilor, to provide more information about what we do, and to hopefully inspire you to consider becoming a Parish Councillor this year!

**Who are you?** Bill Phillips

**How long have you been on Parish Council?** 35 years, since 1984

**What's your day job?** I'm retired from Oxford University Computing Services where I worked on numerical analysis, computing and then information technology.

**What aspects of Parish Council are you involved in?**

Like all Parish Councillors, I help monitor the safety of the play equipment on the playing field and check public footpaths around the village. I'm on the Garden of Remembrance Committee and I am the Parish Council representative on the Village Hall Management Committee.

**What have you enjoyed most about being a councillor?**

The best part of being a councillor is being involved with the life of the village both maintaining what we have and looking forward for improvements. It is very satisfying when we achieve something such as the new Village Hall and Community Recreation Facility, but a lot of the time it is very frustrating waiting for things to be done. An example is the poor mobile signal in the village - we have been trying for years but have seen no improvement.

**Why should someone consider becoming a Parish Councillor?**

It is very enjoyable and satisfying being involved in the village. It is an important job being the voice of the village and the link with WODC and OCC.

## **THANK YOU**

I would like to say 'Thank You' to everyone who sent good wishes and greetings to me for my 80th birthday in November. I was really surprised by the number of kind friends and neighbours who wished me a Happy Birthday. Thank you.

## **FREELAND CRAFT CLUB**

We prepared this special wreath in memory of our friend Margaret Oldfield who was a very talented crafter. The base was covered in a multitude of brightly coloured knitted flowers, daffodils, roses, poppies, etc. which we hope will be a fond memory for her family.

Preparation of several special items to be given as gifts at Christmas to friends, neighbours and grandchildren filled most of December's meetings - not forgetting a lesson on preparing a special gift bag to hold these presents. With a New Year starting, what new crafts will we decide to try?

*Come along any Wednesday afternoon and find out! You will be very welcome.*

**NEXT MEETINGS:** In the Newell Room, Village Hall - 2pm to 4pm:  
**Wednesdays:** No meeting on Jan 1st or 8th (party at a member's house),  
**Back to normal:** January 15th, 22nd & 29th; Feb 5th & 12th

It costs £1 per session to cover hire of the room, heating, lighting and refreshments. For further information (or someone to go with) please contact:

## **HOW ABOUT RECYCLING YOUR WINTER FUEL PAYMENT IF YOU DON'T NEED IT?**

The Eynsham Consolidated Charity exists to help local people (in Eynsham and Freeland) in need, hardship or distress. Every January the trustees make cash grants to needy individuals to help with their heating costs.

The Winter Fuel Payment, which everyone who is eligible receives automatically in December, is not means-tested. Not everyone feels that they should receive it; but the payment could help someone else in real need to meet their fuel bills, so the trustees invite anyone who wishes to donate their payment to send it to the Charity.

Any donations of the Fuel Payment will be used to help those who may struggle to meet their fuel bills.

Payments can be sent to the Clerk, Robin Mitchell, by cheque payable to 'Eynsham Consolidated Charity' and addressed to **20 High Street, Eynsham OX29 4HB**, or to the Charity's account: sort code **09-01-51**, account number **25159404**. Please note new email address for enquiries: **eynshamcharities@gmail.com**

## **FREELAND WI**

Christmas has been the main focus of our recent meetings. In November we learned some new Christmas crafts, when a number of our members shared their skills. We were able to learn how to make gift bags, beaded decorations and floral centrepieces. We held a very successful wreath making workshop on Sunday 8<sup>th</sup> December, and you may have spotted some of the fabulous wreaths on doors in the village this Christmas. Finally, we held a Christmas party at our December meeting. This was a fun evening filled with conversation, laughter, Secret Santa and a wonderful bring and share buffet supper. What a great way to start the Festive season!

You may remember that our Freeland WI Climate Ambassador, Rosie Smith, has promised to provide tips and ideas to help us all reduce our environmental impact. As we start 2020, you may wish to consider the following:

**Eat Less meat** - A number of research reports released over the past year have highlighted the hefty impact that eating meat, especially beef and pork, has upon the environment by fuelling climate change and polluting landscapes and waterways. Deforestation to make way for livestock was highlighted this summer by the deliberate burning of the forests in Brazil and other countries. This along with methane emissions from cows & fertilizer use, creates as much greenhouse gas emissions as all the world's cars, trucks and airplanes. <http://www.fao.org/news/story/en/item/197623/icode/>

**Boil less water** - When making hot drinks only boil enough water for the cups you need and no more. Saves energy saves money.

Our next meeting is on **Monday 13<sup>th</sup> January**, when we will be joined by Chris Tannock with a talk entitled "A pint of Life." Chris will be sharing vital first aid, and his talk will be combined with some practical skills. You do not have to be a WI member to join us for the evening, so why not try something new this New Year?

Freeland WI normally meets on the second Monday of the month in the Village Hall, starting at **8pm** and finishing around **10pm**. We have an exciting new programme of meetings for 2020. You do not have to be a member to come along (although we would love you to join us). We always welcome visitors and new members. Further information is available on our Facebook page [www.facebook.com/freelandwi](https://www.facebook.com/freelandwi) or contact Lorraine Pengilly **01993 881129**.
